

## 20 YEAR MATTRESS WARRANTY

At earthSake, we only allow skilled craftspeople to create the finest in quality bedding, making each item one at a time. We proudly stand behind every mattress made by our partners.

Your mattress is warranted by our manufacturing partner to be free from defects in materials and workmanship for 20 years from the date of purchase. This warranty extends only to the original purchaser and is handled by our manufacturer. Should your mattress fail during the warranty period, our mattress maker, at its discretion, will replace or repair the mattress. The original purchaser will incur no charges other than transportation costs (FOB Origin). The mattress maker is responsible for this warranty and reserves the right to substitute materials or models of equal value & quality. Repair or replacement does not extend the original warranty period.

**10 years FULL Value:** The first 10 years of this warranty are not prorated. You get the full value of the mattress. **Years 11 through 20 are prorated**, with 1/20 of the original purchase price deducted for every year that has passed since the original date of purchase.

To remain eligible for warranty, the mattress must continuously be paired with proper support. If placing your mattress on a slatted foundation, slats must be 1" - 3" apart to validate the warranty. At the time of a warranty claim, purchaser must present valid proof of purchase, and all product labels must be intact. In addition, the mattress must be free of stains, soiling, and fabric tears. Failure to follow the care instructions provided with your mattress will void all guarantees and warranties.

Warranty coverage is provided by the manufacturer indicated by the Registry number on the mattress law label. earthSake is the private label brand & retailer – not the manufacturer. earthSake is not liable for this warranty or for any incidental or consequential damages arising through use of this product. The warranty does not cover:

- Normal body impressions 1½" deep or less occurring over time (periodically rotating your mattress for even wear will minimize the occurrence of noticeable body impressions)
- Firmness preference
- Allergies or sensitivities
- Stains, soiling, or burns

The mattress cover is warranted for two (2) years against structural defects in the material or workmanship. Loose threads, pilling, normal body contouring, and stretching of fabric are considered cosmetic.
